

# Writing a Narrative

Write a narrative that has a moral to it. Here are some ideas that you could write about—stranger danger, being greedy, or stealing.

**Title:** \_\_\_\_\_

**Setting (When, who, where?)**

---

---

---

**Initiating Event (What event starts the story?)**

---

---

---

---

**Problem (What makes the story exciting?)**

---

---

---

---

**Resolution (How is the problem solved?)**

**Conclusion (How does the story end?)**

Edit and publish your narrative on another piece of paper. Illustrate your story.
